

ADS Model Support Note

This model requires the Philips/NXP SiMKit library to be present (not included in the model distribution). Agilent's ADS 2006A and above versions include the Philips/NXP SiMKit in the standard distribution, therefore no additional installation is required. For ADS2005 and below, visit:
<http://www.nxp.com/models/simkit/source-code-library.html>

Please install the SiMKit library before installing the model.

In case of problems or questions, please contact:
rfpower.modeling@nxp.com
