

ADS Model Support Note

This model requires the RFLDMOS DesignKit library to be present (not included in the model distribution).
To download it, visit:

<http://www.nxp.com/models/design-in-support/rf-power-model-libraries/rf-ldmos-models.html>

Refer to the table to select the appropriate file.

Please install the RFLDMOS DesignKit library before installing the model.

In case of problems or questions, please contact:

rfpower.modeling@nxp.com
